Albert L. Cohn, Esq. Scholarship & Financial Hardship Application

NJICLE offers scholarships in the form of full or partial tuition waivers for attorneys with limited financial means to help fulfill their MCLE requirements at a substantially reduced cost.

Scholarships will be awarded based on the following: Unemployed - Full scholarship; Income up to \$35,000 - 75% discount; Income \$35,000 to \$50,000 - 50% discount; Income above \$50,000 - No discount.

Full or partial scholarships may also be awarded based on other special circumstances such as extraordinary medical expenses. For certain programs, including, but not limited to, those involving meal functions or other extraordinary costs, there will be a minimum attendance fee which may exceed the amount that would otherwise be payable based on the sliding scale above.

All scholarship recipients will be required to pay any applicable MCLE fees for the programs they attend unless those fees are waived by the regulating body. Scholarships cannot be combined with other discounts and recipients are limited to a maximum of 12 credits per year.

To request a scholarship, visit our website (NJICLE.com) and complete the scholarship application online at least ten (10) full working days before the program you wish to attend. You will be notified prior to the program if your request has been approved.
