

ZIPSHIP from NJLS Couriers: Get your documents delivered NEXT DAY ... while you work from home! And during this challenging period NJLS is waiving most ZIPSHIP fees!

How ZipShip works

You

- (1) sign into your NJLS account;
- (2) create an NJLS delivery slip as usual;
- (3) print the slip;
- (4) scan the slip;
- (5) email both the scanned delivery slip and the material you need delivered directly to NJLS at: Zipship@njls.com

NJLS will

- (1) print out your material and delivery slip,
 - (2) put your material in an envelope,
 - (3) attach the NJLS delivery slip you prepared and deliver next business day.
- You can track your package as usual at NJLS.com!

Fees:

Until further notice NJLS is waiving the \$10 ZipShip handling fee and only charging for printing where the documents exceed 50 pages; at \$.25/page for those pages. The only other fees are your regular, NLS next day delivery fees. NJLS is temporarily waving most ZIPSHIP fees.
